Recent Experience

Netlight Consulting
Graphic Designer
February 2019 – present
I consult clients about what their vision is for a certain design and deliver to a deadline. I create both digital and printed material.

Studs
Travel Group
September 2018 – July 2019
Studs is a project course at KTH where we meet with companies in the tech industry. The responsibility of the travel group was to plan and execute a trip for 30 engineering students to the USA.

Osqledaren
Illustrator
September 2016 – June 2020
Osqledaren is KTH's union paper. I worked with a lot of different persons and created content for different genres, both digital and traditional art.

Reception for new students
KPH
August 2016 – September 2019
I was a group leader and contact person for the new students in the reception at the Media Technology chapter.

Skansen Terrassen & Finska butiken
Waitress / Sales
Circa 2015 – 2017
I have worked extra in a restaurant and in a store where good customer service is a big part of the job.
